**Notification To The Court For Cause As Follows:**

The probation officer makes the following recommendation regarding the offender's conditions of supervised release:

**I.**

At revocation, William Havner was ordered by the court to participate in 90 days of inpatient drug treatment services. On July 20, 2015, Mr. Havner entered the Salvation Army inpatient drug treatment program, in Dallas, Texas, as required. He has been compliant with all program requirements and according to his counselor, Delores Moore, Mr. Havner has become a leader in his group. He has additionally participated in available mental health treatment services, through Dallas Metrocare (MHMR) while at the Salvation Army.

On September 30, 2015, the U.S. Probation Office will terminate its agreement with the Salvation Army for inpatient drug treatment services, at which time a new vendor will assume the contractual agreement. On September 30, 2015, Mr. Havner will have completed 73 days of inpatient treatment. To avoid a disruption of treatment continuity, the probation office is recommending that Mr. Havner be allowed to release from the Salvation Army when its contract terminates. Mr. Havner will be subsequently enrolled in outpatient treatment services.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on September 22, 2015
